Special Instructions For Bidding.

Please remember,—that in this sale **THE POSTAGE STAMPS ARE SOLD AT SO MUCH FOR EACH LOT.**

Everything else excepting the postage stamps is sold at **SO MUCH FOR EACH PIECE**, the same as heretofore.

We are obliged to have two methods for **bidding at this sale only** on account of the way in which stamps are catalogued and to agree with the usual custom at stamp sales in selling each lot as one, for a lump sum.

Occasionally we notice that a few coin collectors are still sending us bids by the entire lot. Read the heading of your bid sheets and you will know how to bid for coins and paper money.

Put your name and address on the bid sheet also.

Terms for Sale of the Coburn Stamp Collection.

The stamps are sold for prompt cash settlement, no time allowance will be made. The stamps have been carefully cataloged by Harry F. Tuttle, a disinterested stamp expert. Any serious errors will be corrected, but the cataloguer reserves the sole right to determine any claim, so that the stamps are not returnable. If unwilling to comply with these requirements, do not bid.

FOREWORD.

This sale, while differing slightly from former sales in the variety of the offerings, will be of special interest to the general collector of coins, postage stamps, antiques, paper money and curiosities. The valuable stamp collection of the late Dr. Edward S. Coburn, of Troy, N. Y., will attract Philatelists to the 400 lots of stamps offered, varying in value from \$3 to \$50 per lot. In coins, medals and tokens there is a good assortment, ancient, mediaeval, and modern, and the paper money collection is worthy of notice.

The cataloguer has canvassed the market pretty carefully and finds that the Confederate Treasury issues of paper money 1861 to and including 1864, especially the issues of the first three years, are not to be obtained in any considerable quantities. The people of the South are becoming more prosperous each year, and the time is not far distant when the common Confederate notes will be in great demand in the very section where they were issued, at prices several times over what it may now be obtained for. To illustrate this steady advance: the writer remembers that not over ten years ago \$100 Confederate notes of 1862 and 1863, with the familiar "train of cars" and the "Negroes picking cotton" were selling at \$1.50 to \$2.00 per 100. The last wholesale quotation on the "Negroes" variety is about \$25 per 100. Collectors will do well to pick up this money as it is offered in these sales, because the appearance of a considerable quantity at the present time in no way indicates that it will long be obtainable.

CONDITIONS OF SALE.

This is a bona-fide public sale, for prompt cash settlement, and irresponsible persons who are not sure whether they can pay for what they bid on, are asked not to bid. The cataloguer has taken special pains to describe each lot accurately. Errors will be corrected, but he reserves the sole right to decide upon any claims. These are the only conditions under which bids will be received.

Coins and medals are sold at so much per **PIECE**, and no lot will be separated. The auctioneer will accept any bid up to 50c., then 5c. up to \$2.50, when 10c. advance must be bid, up to \$10.00, when no advance under 25 cents will be accepted. If there are 5 pieces in a lot and you wish to pay \$5.00 for the entire lot, then bid \$1.00.

Auction sales are strictly for cash. Parties unknown to me and bidding for the first time, must give bank or other reliable reference, or their bids will not be executed.

Forward your bids as early as possible, as thousands of bids have to be entered. Do not make ridiculously low bids, such as 10c. and 15c. on foreign silver coins worth several times over as bullion. Write your bids plainly, with a pen if practicable.

Where the number of pieces in a lot is not given after the description, there is but one piece in the lot.

Be sure you bid on the lot you wish to buy.

All coins, etc., are genuine unless otherwise described.

My charge for executing bids will be 5 per cent. No charge made for bidding except for lots actually purchased. Remit by money order or New York draft.

We will send a printed list of the prices realized for this sale, for \$1.00, cash to be sent in advance.

If any further information is required as to valuation of lots, or how to bid please write the cataloguer, **Thomas L. Elder**.
